

# VOICES *for* HUMANITY

## CORPORATE SPONSORSHIP 2023

Join the Holocaust Center for Humanity for the 19th annual **Voices for Humanity Campaign**, culminating in an in-person event on **Monday, October 16**.

The Center challenges students, teachers, and the community to explore issues of discrimination, injustice, civic engagement, and the difference one person can make as an upstander. In today's ever-changing world, we know that Holocaust education can create more empathetic, compassionate citizens. **Together, through education, we can build more courageous communities.**

### WHY BECOME A CORPORATE SPONSOR IN 2023?

By sponsoring the **Voices for Humanity Campaign**, your company will make a positive impact on the local community, while increasing your brand awareness through a philanthropic lens. Your support will also demonstrate that Diversity, Equity, and Inclusion (DEI) is a priority for your company and employees.

The Voices for Humanity Campaign engages an audience of up to 1,000 individuals and leaders annually from across the corporate, philanthropic, and educational communities in support of Holocaust education.

The Center strives to work with your company to think beyond a transactional sponsorship and connect your employees with meaningful opportunities through virtual or in-person tours, speakers, and/or DEI presentations to create a more open-minded workplace.
